

Registration Form

To be completed by those with parental responsibility for the child.

Parental responsibility is defined in the Children Act 1989 as “all rights, duties, powers and responsibilities and authority which by law a parent of a child has in relation to the child and his or her property”. It equates to legal responsibility for the child. If you have any doubts about whether you do or do not have parental responsibility for the child you may wish to seek legal advice.

A copy of the current terms and conditions (known as the Parent Contract) is available to download from the Admissions section of the School website. Please note that the version of the Parent Contract available on the website may be subject to change prior to the point in time when a place at the School for your child may be offered.

A satisfactory reference from your son or daughter's current school.

Satisfactory performance in the appropriate Entrance Examination.

Registration is understood to be an expression of interest in Oakham School. It does not commit a parent or parent(s) to accepting a place, nor does it commit the School to the offer of one.

Admission to Oakham School is subject to the current Oakham School Admissions Policy and Parent Contract.

- this registration form does not give rise to a commitment by the School or the parent(s) and that the offer of a place is subject to availability and the entry requirements of the School at the time of offer.
- if your child is offered a place at the School such an offer will be subject to the School's terms and conditions for the provision of educational services as set out in the Oakham School Parent Contract* which will bind me/us should we accept the place.
- these terms and conditions may undergo reasonable changes from time to time as circumstances require and will apply in all our dealings with the School.

- at its discretion the School may, with reference to one or both of us: undertake a credit check with a credit reference agency and/or require one or both of us to provide the School's Bursar with a bank reference and/or an up-to-date credit report (including a credit score).
- the School may process any personal data about us (or either of us) and our child, including sensitive personal data about our child (such as medical details), for the purposes of:
- administering its list of prospective pupils;

- its registration, selection and/or admission procedures, including as set out above and
- communicating with the parents of prospective pupils about the School and generally managing relationships between the School and its prospective pupils. This may include information about events or activities that could be of interest to you and to ask for your feedback.
