

School Rules & Expectations

At Oakham we believe that any breach of good manners or of common sense is a breach of school rules as also is any action which may lower the School's good name. Good discipline prevails when each child brings into school the manners and behaviour he or she may be presumed to practise at home.

Rules and Expectations are written for pupils so that they may know what to do and what not to do in matters such as behaviour, work, whereabouts and organisation. Meeting these expectations requires more than staying within the rules; it requires pupils to learn the best ways of enjoying their life and work at Oakham, and applying them as consistently as they can.

The Head and the staff manage the school according to the Rules and Expectations, as well as other policies, which are not printed here but can be obtained from the Senior Deputy Head. The Head has ultimate responsibility for and authority over every aspect of the School, including the upholding of the Rules and Expectations. The Head may suspend or exclude pupils who are deemed to have been in serious breach of the letter or spirit of the Rules and Expectations.

1. INTRODUCTION

1.1 The School is a community whose purpose is to educate young boys and girls and give them opportunities to experience a broad range of activities and interests. The Rules and Expectations set out the boundaries within which the school community operates.

1.2 Pupils are responsible for knowing and respecting the School Rules and Expectations. Tutors are responsible for ensuring that new pupils are made aware of them and teaching staff for applying them fairly and proportionately.

1.3 Oakham pupils are subject to School Rules and Expectations at any time when they are at school or engaged in an activity organised by the School. It is important for pupils to appreciate that the School is responsible for their safety and welfare while at school. The Rules and Expectations are therefore framed so that pupils cooperate with the School in carrying out this responsibility.

1.4 School rules cannot cover all contingencies, but the following rules and expectations apply in order to maintain a safe, well ordered and civilised environment.

1.5 Pupils should also be aware of House rules, directed specifically at maintaining good order within the day and boarding houses.

2. PUPIL REGISTRATION, LEAVE OF ABSENCE

2.1 Pupils register in houses at the start of each day; in day houses also at lunchtime, and in boarding houses in the evening.

2.2 Pupils should remain on the School Campus during school hours unless they have the consent of their Housemaster or Housemistress (HMs) to leave the Campus. All pupils should be on the School Campus and engaged in academic work during lesson time unless they have their HM's permission to do otherwise.

2.3 Pupils should follow this procedure for leave of absence from any lesson or activity:

- a. Request HM's permission for absence (except for music lessons).
- b. Inform staff of planned absence, at least 24 hours in advance. Ideally, this should be done in person during the lesson or activity preceding the planned absence. If not, a polite email request is appropriate.
- c. Find out about the work missed and catch it up within reasonable time.

2.4 If a pupil is absent or unaccounted for staff will put out an alert to the House. Parents and Police will be informed when a pupil has gone missing for over two hours.

2.5 Pupils should not enter classrooms until instructed to do so by a member of the teaching staff.

2.6 Day pupils may remain in School after School Hours only with the permission of their HM.

2.7 Boarders must be on campus after 1800 unless they have their HM's permission, and be in their houses according to house lock-up times.

2.8 House handbooks should be consulted for specific house rules and expectations.

2.9 Form 6 boarders may request one additional Saturday evening leave per term (Pupils must be back in time for Chapel). Reasonable notice must be given to the relevant HM and it may not be taken before the first leave out of term.

2.10 Form 7 boarders may request up to three additional Saturday evening leaves per term (Pupils must be back for Chapel). Reasonable notice must be given to the relevant HM.

3. THE CAMPUS AND TOWN

3.1 Pupils must stay within the School Campus during School Hours unless they have staff permission to do otherwise or at permitted times.

3.2 The School Campus is defined as the School buildings; the playing fields; the open areas contained by the School buildings, Church Street, Ashwell Road south of the Schanschieff site, Station Road, Kilburn Road and Market Place.

3.3 Pupils must take care when crossing roads. No one should begin to cross until certain that the road is clear or that a cyclist or vehicle is going to stop or is already stationary. Where there are safety railings pupils must walk on the pavement side of the railings. Pupils must not walk between cars when crossing a road, due to the potential danger of not being seen by oncoming drivers.

- a. Burley Road must be crossed at the Pelican Crossing.
- b. Kilburn Road may be crossed only at the zebra crossing opposite Chapmans and at the gate to Farside.
- c. Station Road may only be crossed at the zebra crossing opposite Deanscroft Drive.
- d. The Ashwell Road must be crossed at the pedestrian crossings opposite the Barraclough and at the north end of the Ashwell Road.
- e. Church Street should be crossed opposite All Saints when walking up to Chapel and opposite the Merton building when walking away from Chapel.

3.4 Pupils may go into Oakham at the following times but must sign out and back in according to House rules:

- a. Form 7: may go into town without permission outside lesson time.
- b. Form 6: may go into town on Tuesdays and Thursdays from 2pm if they do not have a sporting commitment.
- c. Forms L1-5: may go into town on Tuesdays and Thursday from 4-5.30pm and on Saturday afternoons if not required for a school activity.
- d. All pupils must sign out and back in according to House rules.

3.5 Pupils should not eat or drink while walking around the school or town. Pupils should always show courtesy to the public, whose progress should not be impeded.

3.6 All pupils are reminded that under no circumstances should they go out alone into unprotected areas, whether for jogging or other purposes.

3.7 Pupils' visitors to the Campus

- a. Lower and Middle School pupils are not allowed visitors on the campus unless by specific permission of their HM. Form 7 are allowed visitors to the Chapel Close campus and should notify their HM of the visitor.
- b. All visitors to the Campus must register with the Chapel Close reception, or if after 5.30 pm with the HM of the pupil whom they are visiting. All visitors must be met by their host, accompanied by the host at all times and seen off the campus by them on departure.

3.8 Out of bounds

- a. Pubs and restaurants except with staff permission (see Section 11)
- b. Betting shops
- c. Buildings under construction and derelict property.
- d. The Park (Cutt's Close) except Form 7.
- e. Oakham Castle and its grounds; the Lodge gardens
- f. Private residences without the HM's permission.
- g. The corner of Doncaster Close beyond the cricket shed.
- h. The Cemetery and the allotments and fields beyond Doncaster Close.
- i. The short-cut through the Church grounds.
- j. Anywhere, including the shops, beyond the railway station and level crossing
- k. The rear entrances and car parks of retail or commercial properties.
- l. Other boarding and day houses of which a pupil is not a member, except with the Housemaster or Housemistress's permission.

3.9 The following are not allowed:

- a. Swearing or offensive language or behaviour.
- b. Littering
- c. Leaving books and bags around the campus, including on hedges or walls.
- d. Wearing earphones around the campus during the school day.
- e. Chewing gum at any time on the school campus.

- f. Eating while walking around the campus. Pupils are not allowed to bring food of any kind into lessons.
- g. Using false identification.
- h. The use of mobile phones whilst walking around the campus or town.

4. LESSONS AND TIME-KEEPING

4.1 Oakham life is busy and pupils are expected to be organised in their time-keeping and preparation for lessons. Pupils are provided with a Student Organiser at the start of each term and are expected to use it to organise their work. Expectations are laid out clearly by teachers and staff.

4.2 Pupils are expected to be punctual for lessons and other commitments during the school day. A lateness sign-in sanction may be applied by staff to manage this.

4.3 If a member of staff is more than 10 minutes late for a lesson or activity pupils are expected to contact the nearest member of staff to report the absence. Pupils should not go back to their houses during lesson time unless they have a timetabled study period.

4.4 Pupils are expected to arrive at lessons with the required equipment or sports kit. Teachers should clarify what is required, after which pupils failing to bring these items may be sanctioned with a kit sign-in.

4.4 Pupils should not be sent out of a class unless in exceptional circumstances. In such cases, the teacher must inform the Head of Department and the Head of LS/MS/US as appropriate.

5. REWARDS AND SANCTIONS POLICY

5.1 This policy is broken down into two: Pupil Praise & Reward and Sanctions. Policies relating to substance abuse, alcohol, smoking, ICT abuse, bullying and theft are set out in other sections of the Rules and Expectations and are distinct from the Rewards and Sanctions policy.

5.2 Pupil praise and rewards policy

The aim of the rewards policy is to encourage every pupil to make the most of his or her talents and time at school. A system of school rewards can only work by building an informal culture of praise, encouragement and recognition. More important than any system of rewards, verbal praise must be the principal way in which pupils are encouraged, and encourage each other. Mutual support amongst the entire Oakham community forms the foundation of a positive mind-set. Subject teachers, tutors, HMs and Heads of departments also develop their own ways of encouraging and recognising pupils' achievements, such as prize work boards, commendations or House prizes.

5.2.1 A few shared principles should be applied to the giving of Rewards:

- a. A balance should be sought in rewarding achievement, progress and effort.
- b. Consistency and objectivity must be applied at all times.

- c. Rewards should seek to encourage pupils who require extrinsic motivation as well as recognising those who are intrinsically motivated.
- d. Tutors are encouraged to use target setting as a means of encouraging the academic progress of their tutees, and to reward the achievement of targets appropriately.
- e. Demonstration of good manners, teamwork, and service should be recognised alongside academic and other total curriculum achievements.
- f. Rewards should be communicated as appropriate to relevant staff and parents.

5.2.2 Rewards and Sanctions are entered by teaching staff on the Intranet and are displayed on an individual pupil page on OSIS.

5.2.3 Academic rewards are as follows:

- a. **Good Conduct Marks:** These are awarded in Lower School only and are marked on the pupil's Conduct Card.
- b. **T tick:** For a particularly good piece of work in prep or class. The teacher marks a T tick on the pupil's work and enters it on OSIS; the pupil shows the work to the tutor and should enter it in the Student Organiser.
- c. **Optimum:** For an outstanding piece of work. The teacher enters the Optimum on OSIS; the pupil shows it to his or her tutor and records it in the Student Organiser.
- d. **Commendation:** For consistent effort or improved effort, service, leadership or teamwork. The teacher enters the Commendation on OSIS; the pupil shows it to his or her tutor and records it in the Student Organiser.

5.2.4 Over the course of the Winter term, and then again in the Spring and Summer terms combined, rewards equate to points as follows:

T Tick = 1 point

Optimum = 3 points

Commendation = 5 points

5.2.5 **House Colours:** For pupils who make a particular contribution to their House. They are presented by HMs at House assemblies.

5.2.6 **Club and School Sports Colours:** For pupils who make a sustained contribution to a school sport (Club Colours) or who have excelled in a school sport (School Colours).

5.2.7 **Head's Commendation:** Pupils who gain a Commendation may be invited to meet with the Headmaster in Chapel Close to recognise the achievement.

5.2.8 **Speech Day and Lower School Prize Giving:** End of year prizes for excellence and service.

5.3 Sanctions Policy

5.3.1 Staff are asked to be mindful of the reasons that lie behind poor behaviour, when deciding upon a sanction. Staff are expected to use their judgement and common sense when dealing with an individual who has done something wrong.

There will be times when a conversation with the individual and then that individual's tutor, is all that is needed but to support staff, there is also a clear structure of sanctions that can be awarded if necessary.

The Head of Department is also there as a sounding board for a member of staff who needs guidance as to how to deal with an individual. It is sometimes better to take time to reflect on the most suitable sanction rather than making a snap decision and staff are encouraged to do this.

Before sanctions are applied, pupils can expect to be given a warning to correct their behaviour, or meet a reasonable expectation. If the warning is ignored, the pupil should expect to be given a sanction according to the policy. The sanction is also a warning and a deterrent to further misconduct.

5.3.2 Alongside sanctions, the following documents may be used to support the development of positive behaviour habits:

- a. **Class Report:** kept by the teacher reporting to the HoD if appropriate. Tutor and HM kept informed.
- b. **House Report:** kept by the pupil and presented to the teacher in each lesson for comment; checked by the tutor or HM.
- c. **Head of Middle School/Upper School Report Card:** kept by the pupil and presented to their teachers and HM for comment; checked by the head of MS/US.
- d. **Behavioural Contract:** signed and agreed by the pupil and their parents; checked but the Deputy Head.

5.3.3 The purpose of the Sanctions Policy is to provide a clear description as to how pupils are sanctioned for contravening the Rules & Expectations. There is a different set of Sanctions for Lower School pupils, which is appropriate to their age and to their stage of development. It is set out below.

5.3.4 Lower School Sanctions

If a sanction is necessary, the first port of call for the teacher is a conversation with the pupil, tutor and HM. Then, if deemed necessary, the following sanctions may be used:

a. Conduct Mark

This can be issued for minor misdemeanours and should be marked on the pupil's Conduct & Rewards card. Five conduct marks will result in a conversation with the HM who has the discretion to issue a Lower School detention if appropriate.

b. HM Supported study session

If a teacher contacts a tutor or HM, concerned about progress in a particular subject, the HM can issue a supported study session for the pupil, to be held on a Tuesday/Thursday during Lower School Prep 16.30-17.30 in J6

c. House Report

This is a supportive measure to monitor and support a pupil in the classroom. It is issued by the pupil's HM.

d. Bx

This can only be issued by the pupil's HM for poor behaviour. 3 Bx may result in a LS Detention. This decision is at the discretion of the HM.

e. LS Detention

This is for poor behaviour or for repeatedly not meeting academic expectations. It is run by the Head of LS, and held in J7 on Thursdays from 16.30-17.30. A Think-about-it memo and letter of apology will be completed during the detention.

f. Deputy Head Behavioural Detention

This is for very serious breaches of school rules. It is run by the Senior Deputy Head and held in H03 on Wednesday from 17.00-18.00.

5.3.5 **The Middle and Upper School Sanctions Policy** works in several stages; a pupil may progress through the sanction stages either for repetition of misconduct, or failure to meet academic expectations.

- a. **Stage 1.** Early morning sign in, Tx, Bx, Distance Learning Concern
- b. **Stage 2.** House report, Head of Department Warning, Behavioural and Academic detentions
- c. **Stage 3.** Head of MS/US report, Senior Deputy Head's detention
- d. **Stage 4.** Internal Suspension
- e. **Stage 5.** Full Suspension/Behavioural Contract

5.3.6 After each sanction stage, the policy identifies ways in which pupil behaviour should be recorded and communicated, so that parents and staff are aware of the progression of sanctions, and can work together to manage the behaviour issues.

5.3.7 The Senior Deputy Head monitors and regulates the application of sanctions, and adjudicates the level of sanction.

5.3.9 Notes on Sanctions:

- a. **Precedence:** attendance and completion of sanctions takes priority over other school commitments.

- c. **Academic and Behavioural detentions:** once a pupil has been placed in Academic or Behavioural detention they can only be withdrawn by the Senior Deputy Head.

5.3.10 The following are support systems, not sanctions:

- a. **Supported Study:** 4.30 – 6 pm on Tuesday or Thursday afternoon. Pupils may attend voluntarily for support. Teachers may also use this time to call pupils into the Department to catch up on work. If a pupil is not able to make this time due to a Red Book commitment or travel arrangements, then the pupil and teacher should agree a mutually convenient alternative time.
- b. **Supervised Study in the Library:** Tutors may enter pupils for allocated periods up to a maximum of 2 per day. Pupils are expected to attend as for a timetabled lesson, and to study quietly in the Upper Library. Unauthorised absences are sanctioned by a Behavioural Detention.

6. POLICY TO COUNTER BULLYING

6.1 This policy was originally formulated by the School Council and the aims are:

- a. To help pupils, staff and parents understand what bullying is.
- b. To provide pupils with relevant information, skills and attitudes to help them to resist bullying. In doing so, it is hoped that the pupils will feel confident that they can confide in staff, parents or prefects on these issues.
- c. To work with parents to build an understanding of the School's responsibility to ensure the welfare of all pupils.
- d. To provide guidance for staff in managing bullying cases.

6.2 **Statement of principle on bullying:** Oakham School believes that bullying affects everyone, not just the bullies and the victims. It affects those pupils who watch and less aggressive pupils who can be drawn in by group pressure. We do not accept that bullying is an inevitable part of school life, or a necessary part of growing up that sorts itself out given time. We realise that certain jokes, insults, intimidating and threatening behaviour, written abuse, electronic abuse and violence are to be found in society, but no one person or group should have to accept this kind of behaviour. We believe that only when all issues of bullying are addressed will a person be able to benefit fully from the opportunities available at Oakham.

6.3 **Definition of bullying.** Bullying is behaviour by an individual or group, repeated over time, that intentionally hurts another individual or group either physically or emotionally. Bullying can take many forms (for instance, cyber-bullying via text messages, social media or gaming, which can include the use of images and video) and is often motivated by prejudice against particular groups, for example on grounds of race, religion, gender, sexual orientation, special educational needs or disabilities, or because a child is adopted, in care or has caring responsibilities. It might be motivated by actual differences between children, or perceived differences. Schools have a duty to promote the safety and wellbeing of all children and young people in their care, including lesbian, gay, bisexual and transgender pupils and those experiencing homophobic, biphobic or transphobic (HBT) bullying.

6.4 The line between "having a joke" and bullying can be thin, but usually the distinction is clear. Bullying is repeatedly and deliberately causing somebody pain or hurt. It may be felt physically or emotionally, be done face-to-face or electronically, individually or in groups, in public or private. If an action sets out to hurt or harm and does so, it is bullying.

6.5 **Sexual Bullying.** Sexual bullying refers to any bullying behaviour, whether physical or non-physical, that is based on a person's sexuality or gender. It can be carried out to a person's face, behind their back or by the use of technology. For example: Using sexual words to put someone down; gossiping and spreading rumours (including graffiti) about someone's sexuality and sex life; touching someone in a way that makes them feel uncomfortable and sexting - sending, requesting or making sexual images electronically.

6.6 **Respect for others.** Every member of the school should be aware that everyone is different and should also respect other people's views, wishes and habits. Bullying can arise from a lack of respect for others and can occur in a variety of ways. Whether it is physical, verbal –where it can be disguised as "banter" - emotional or a lack of respect for other people's property, bullying will not be tolerated within the school community.

6.7 Measures to prevent bullying. The School takes active measures to prevent bullying:

- a. Tutors draw their tutees' attention to this policy at the start of each academic year.
- b. Issues relating to bullying are discussed in the PSHE programme at all levels, especially in Lower School and the Middle School. Friendship, peer group influences and self-esteem are discussed as a means to developing the right sort of personal confidence and therefore avoiding bullying.
- c. Guidelines for staff on how to manage bullying are published in the Staff Handbook.
- d. In their daily school lives, pupils are encouraged to treat everyone with respect.
- e. A bullying questionnaire is conducted regularly to assess bullying and identify patterns. HMs use the responses to the questionnaire to keep bullying issues under review, and raise awareness with House tutors, prefects, and the pupils.
- f. Reported cases of bullying are collated each year by the Senior Deputy Head, and reviewed by the Head.

6.8 Policy to prevent cyberbullying.

This policy was written in conjunction with the School Council and PTC

6.8.1 Cyberbullying is the use of Information Communications Technology (ICT), particularly mobile phones, social websites, Photographs, email, text messaging and the internet, deliberately to upset someone else. It can be particularly unpleasant as it can take place at any time and can intrude into spaces that have previously been regarded as safe or personal. The audience can be very large and reached rapidly. The difficulty in controlling electronically circulated messages including sexting, means the scale and scope of cyberbullying can be greater than for other forms of bullying.

6.8.2 The school community has a duty to protect all its members and provide a safe, healthy environment. Any member of Oakham School who is involved in cyberbullying, be it in or out of school hours can expect to be subject to the school bullying sanctions.

6.8.3 Measures to prevent cyberbullying:

- a. Pupils are encouraged to understand and talk about cyberbully including sexting in tutorials, assemblies and IT lessons.
- b. Pupils are asked, by their tutor, to read the cyberbullying policy and ask any questions to help them understand it.
- c. Pupils are advised to
 - Always respect others
 - Think before you send
 - Treat your password like your toothbrush –keep it to yourself.
 - Block the bully – learn how to block or report someone who is behaving badly.
 - Don't retaliate or reply!
 - Save the evidence

- Make sure you tell someone: your parents, your tutor or HM, a prefect or the Decem.
- d. Parents are encouraged to know what their children are putting on Facebook.
 - e. Parents are asked to report cyber-bullying to the HM, even if it is taking place outside school.
 - f. Ask your children to report cyberbullying to you.

6.8.4 Guidelines for staff on how to handle cyber bullying issues are issued in the staff handbook. Cyberbullying is another form of bullying and is therefore dealt with in the same way as other bullying incidents.

6.9 Management of bullying incidents and sanctions.

6.9.1 The punishments for bullying must allow both sides to be aware that bullying is occurring and, if and when it continues, be severe. There are therefore three steps to be taken when a case of bullying is discovered and reported.

- a. **Stage 1:** this offers a “no blame” approach to both parties. The victim(s) and the bully(ies) may have a discussion with a teacher, not necessarily associated with their house(s), to be chosen by the pupils involved. This discussion allows both parties to give their opinions and to try and work out a solution which is mutually agreeable. The aim is to allow bullies to realise that they are causing unhappiness and that their behaviour will not be tolerated. Everything in this discussion is likely to be recorded, in writing, kept by the teacher and filed by the HM. Following this, a letter may be sent to parents outlining what has occurred and the outcome of the discussion. This will be confidential although HMs and tutors will be informed.
- b. **Stage 2:** If, after this discussion, the bullying continues it will be assumed that it is deliberate and a more severe approach will need to be taken. Sanctions will depend on the severity of the bullying.
- c. **Stage 3:** If, after these two steps the bullying continues, it will be assumed that the pupil has no respect for those around him/her and this will not be tolerated within the school community. It is likely that the Head will require the pupil to leave the school.

6.9.2 HMs record all bullying incidents and report them to the Senior Deputy Head, who will determine the appropriate sanctions for bullying. Sanctions may be imposed and Stage 1 by-passed if bullying is found to be clear-cut.

6.9.3 All cases of bullying will be investigated in the interests of all concerned and appropriate guidance / support will be offered as necessary.

7. PERSONAL RELATIONSHIPS

7.1 Open hearted friendliness is encouraged as being at the centre of a good community. The guiding principle on personal relationships for the whole community must be respect for others at all times. This includes respecting those who have different values and opinions, and trying to do to others as we would have done to ourselves.

7.2 There will be times when a pupil behaves in a very unkind way towards another. This does not equate to bullying. Rather it might be a one-off, ill-judged decision to behave in an unkind, mean or thoughtless way, with little or no regard for the consequences and impact on the other person. In situations like these, the behaviour will be sanctioned appropriately and robustly by the Senior Deputy Head. As is stated at the beginning of this section, the Head may exclude pupils who are deemed to have been in serious breach of the letter or spirit of the Rules and Expectations.

7.3 **Anti-Discrimination**

7.3.1 It is the policy of the school to ensure equitable treatment for all, rejection of discrimination on any grounds and a positive attitude to a pluralist community. The school recognises and accepts racial, religious and cultural differences amongst the pupils and staff at all levels. To this end individual worship requirements may be arranged alongside routine attendance at Chapel.

7.3.2 The policy of the school is that discrimination on the grounds of gender, disability, race, religion, cultural background, linguistic background, sexual orientation, class, academic or sporting ability is not acceptable and will be treated seriously and dealt with appropriately.

7.3.3 Telephone numbers of appropriate people to give confidential assistance are listed in the "Personal and Confidential Matters" section of the Red Book.

7.3.4 Below are some dos and don'ts to guide our community:

Don't.....	Do.....
<ul style="list-style-type: none"> • Call people names 	<ul style="list-style-type: none"> • Include everyone in friendship groups
<ul style="list-style-type: none"> • Use of discriminatory slurs 	<ul style="list-style-type: none"> • Make an effort to see how people are (if they are being discriminated against)
<ul style="list-style-type: none"> • Presume or project someone's identity 	<ul style="list-style-type: none"> • Make kindness your utmost priority at all times – kindness is natural, discrimination is not
<ul style="list-style-type: none"> • Insult anyone for their religion etc 	<ul style="list-style-type: none"> • If you see someone being discriminated, report the bullies, don't just let it happen
<ul style="list-style-type: none"> • Exclude anyone for their sexual orientation 	

7.4 **Sexual relationships**

An important aspect of a co-educational education is for boys and girls to learn to live and work together in a natural and respectful way. Any form of sexism is discouraged, as are excessive displays of affection in public. Sexual relationships between pupils are forbidden in any circumstances and those who overstep the boundaries can expect to be given a severe sanction.

8. DRESS REGULATIONS AND APPEARANCE

8.1 **Uniform**

11. DRUGS AND SUBSTANCE MISUSE POLICY

11.1 The misuse of drugs is likely to undermine a young person's health, safety, independence, opportunities and respect for the law, and so threatens the wellbeing of both the individual and the school community. Oakham School therefore actively discourages the misuse of any form of drugs, through a programme of education and support, and policies on disclosure, testing and sanction.

11.2 For the purposes of this document the term drug misuse refers to the taking of any drug or substance through which intoxication may occur.

11.3 **Cannabidiol (CBD) Products.** No students should be using or be in possession of CBD products whilst at school, unless they have been prescribed for medical reasons. In such cases, as with all medication, it must be reported, stored and dispensed by House staff. Unauthorised use of CBD products will be dealt with in accordance with the Drugs and Substances Misuse Policy.

11.4 Education and support

A continuing programme of education about drugs and substance abuse is delivered throughout the school by trained professionals in the field. Details are available on request.

11.5 Disclosure

- a. Disclosure is when a pupil tells a member of staff about drug-taking so that the school can act to help the individual concerned to stop taking drugs.
- b. Disclosure can be made either about oneself or another individual; if the latter it should be motivated purely by concern and a desire to help.
- c. If disclosure is made independently the case will be managed in a non-disciplinary way.
- d. To be genuinely 'independent' a disclosure must be initiated by the pupil at a time other than during an investigation. Once staff have begun an interview and disciplinary process, disclosure can no longer provide immunity from sanction.
- e. Multiple disclosures will not provide immunity from Sanctions.
- f. If, after a disclosure, the behaviour of the pupil is inappropriate or brings the school into disrepute, the pupil will be sent home until they are fit to return.

11.6 Following a disclosure

- a. Details of the disclosure will be noted down by the Senior Deputy Head.

- c. The Senior Deputy Head will decide whether to request a urine sample for testing. The sampling is administered discreetly and supervised by the Senior Deputy Head or in his/her absence the Deputy Head (Pastoral). The Deputy Head (Pastoral) or the pupil's HM will also be present. Pupils will be asked to turn out their pockets prior to giving the sample and follow the instructions precisely.
- d. All reasonable attempts will be made to contact the pupil's parents or guardian at the earliest opportunity, so that they are aware of the process.

- e. Initial results will be communicated directly. In cases where the position of the pupil at the school may be called into question, the sample will then be sent to an approved laboratory for testing. Results are expected within three working days.
- f. As soon as the test results are received the Senior Deputy Head will inform the pupil, his or her parents or guardian and the relevant HM.
- g. If the result is negative, no further action will be taken and the cost will be borne by the school.
- h. If there has been no disclosure and the test is positive, this will be taken as proof of drug taking. The sanctions policy will then be followed, and the Police will be informed of the nature of the incident. The pupil's parents will also be charged for the cost of the test.
- i. Pupils who have disclosed or whose test result is negative can expect strict confidentiality limited to themselves, those administering the test, their parents or guardian, and their HM. In order to maintain confidentiality during the above procedures the pupil may be asked to hand over their mobile phone and may be isolated from other pupils until the process of interviewing and sampling is complete.
- j. The Police will be informed when there has been a disclosure or when a test is positive.

They will be required to undergo further testing at the school's discretion as a way of monitoring and checking that they have not returned to misusing drugs
- c. A pupil who tests positive twice for drug misuse must expect to be required to leave the school.
- d. A pupil discovered to have supplied drugs or brought them into the school must expect to be required to leave the school. The Police will also be notified.
- e. No distinction is made between drug misuse outside and inside normal school hours or on or off campus when a pupil tests positively for drugs in their system during term time.
