

# IB Diploma Subject Grid 2023-2025 (May 2023)

Subjects are organized according to the IB Diploma subject groups. IB students should select one subject from each of the six columns, choosing 3 subjects at Higher Level (HL) and 3 at Standard Level (SL).

**Subjects in the same vertical column are taught at the same time, hence only one subject from each column can be chosen**

Group 1	Group 2	Group 3	Group 4	Group 5	Group 6
Language A	Language (Other)	Individuals & Societies	Sciences	Mathematics	Arts/ Electives
English A Literature HL/SL	German A Language & Literature HL French B HL/SL German B HL/SL Latin* HL/SL Spanish B HL/SL Italian <i>ab initio</i> SL Spanish <i>ab initio</i> SL	Business Management HL/SL Economics HL Geography HL/SL Global Politics HL/SL History HL/SL Philosophy HL/SL Psychology HL/SL	Biology HL/SL Chemistry HL Computer Science SL Design Technology HL/SL Environmental Systems & Societies SL Physics HL Sports, Exercise & Health Science HL	Mathematics: Analysis & Approaches (AA) HL/SL Mathematics: Applications & Interpretations (AI) SL	Biology HL Business Management HL Chemistry HL Economics HL Environmental Systems & Societies SL French B HL Geography HL/SL History HL/SL Theatre+ HL/SL Visual Arts HL/SL

Notes: For timetable reasons, selecting HL Mathematics with HL English is not possible.

\*Latin HL/SL has some flexibility in placement (group 6 or group 2 dependent on numbers)

+Theatre may only be offered if a sufficient number of students choose it.

All students must choose Mathematics at either HL or SL. For SL, common core courses will run before students decide on one of two options: Applications & Interpretation (AI) or Analysis & Approaches (AA). HL students will follow the Analysis and Approaches (AA) course.

**German students** wishing to comply with KMK regulations should confirm with their local authority, but they will need to take Mathematics OR Bio/Chem/Phys at HL. They should take German A Lang & Lit HL and English A Lit SL at Oakham, but do not need to take another language (though possible). They may choose either option of Maths at SL provided that there is a science at HL and university options have been checked. All subjects listed above in group 3 are accepted.

## A-level Subject Grid 2023-2025 (May 2023)

Students should pick **THREE** subjects, no more than **ONE** subject from **EACH** column below. Some students will do **FOUR** subjects in agreement with the Head of Upper School or Director of Studies.

<b>A</b>	<b>B</b>	<b>D</b>	<b>E</b>
Business	Business	Biology	Art & Design
Chemistry	Biology	Chemistry	Biology
Design & Technology	Classical Civilisation	Economics	Business
Economics	Critical & Contextual Studies	English Literature	Computer Science
Geography	Economics	French	Economics
German	Maths & Further Maths+	Geography	English Literature
History	History	Maths & Further Maths+	Geography
Philosophy	Mathematics	History	Mathematics
Physics	Music	Mathematics	Physics
Psychology	Physical Education		Politics
Politics	Politics		Psychology
Spanish	Psychology		
Drama and Theatre	Religion and Philosophy		
BTEC Sport and Exercise Science <sup>^</sup>	BTEC Sport and Exercise Science <sup>^</sup>	BTEC Business Management <sup>~</sup>	

+If you wish to study **A-level Further Mathematics**, please select 'Maths and Further Maths' in both columns B and D. The course includes A-level Mathematics, so do not select Mathematics elsewhere. Further Mathematics **must** be taken as a fourth A-level.

<sup>^</sup>BTEC Sport and Exercise Science must be selected in both columns A and B, as it is the equivalent to two A-level courses.

<sup>~</sup>BTEC Business Management may be chosen as the equivalent to one A-level subject.
