

IB Diploma Subject Grid 2024-2026 (provisional December 2023)

Subjects are organized according to the IB Diploma subject groups. IB students should select one subject from each of the six columns, choosing 3 subjects at Higher Level (HL) and 3 at Standard Level (SL).

Subjects in the same vertical column are taught at the same time, hence only one subject from each column can be chosen.

Group 1	Group 2	Group 3	Group 4	Group 5	Group 6
Language A	Language (Other)	Individuals & Societies	Sciences	Mathematics	Arts/ Electives
English A Literature HL/SL	German A Language & Literature HL	Business Management HL	Biology HL/SL	Mathematics: Analysis & Approaches (AA) HL	Biology HL

	Spanish B HL/SL	Psychology HL/SL	Physics HL		Global Politics HL/SL
	French <i>ab initio</i> SL		Sports, Exercise & Health Science HL		Philosophy HL/SL
	Italian <i>ab initio</i> SL				Theatre+ HL/SL
	Spanish <i>ab initio</i> SL				Visual Arts HL/SL

Notes: For timetable reasons, selecting HL Mathematics with HL English is not possible.

*Latin HL/SL has some flexibility in placement (group 6 or group 2 dependent on numbers)

+Theatre may only be offered if a sufficient number of students choose it.

All students must choose Mathematics at either HL or SL.

SL students will follow the Applications & Interpretation (AI) course.

HL students will follow the Analysis and Approaches (AA) course.

German students wishing to comply with KMK regulations should confirm with their local authority, but they will need to take Mathematics OR Bio/Chem/Phys **OR a language** at HL. They should take two languages, one an A course and one a B course. All subjects listed above in group 3 are accepted. It is advised that students check subject choices with the universities of their region.

A-level Subject Grid 2024-2026 (provisional December 2023)

Students should pick **THREE** subjects, no more than **ONE** subject from **EACH** column below. Some students will do **FOUR** subjects in agreement with the Head of Upper School or Director of Studies.
