Welcome

A very warm welcome to Oakham School to you and your family. We are very much looking forward to guiding your child through their Oakham journey.

We have put together this booklet to provide you with an introduction to life in the Upper School and information about several day-to-day matters which will help ease you and your child into the first days of life at School.

Over the summer we will send you a handbook for your child's House that contains more information about who will be caring for your child and how each House runs.

Please get in touch if there is anything you are not sure about, or that we haven't covered.

Finally, may I take this opportunity to wish you a highly enjoyable summer. I look forward to welcoming you in person to the School in September.

Dates of the Leave-out weekends and Exeats for the next academic year can be found in the term dates section of this document.

The Connected Curriculum

Our Connected Curriculum sits at the heart of an Oakham education. As part of the weekly timetable your child will enjoy teaching and learning in three areas of equal importance to their development: academic, co-curricular and pastoral learning inside and outside the classroom.

Pastoral Care

Houses

All pupils who join Oakham School belong to a House and through this structure we deliver our pastoral care to provide the care and support your child needs to develop intellectually, physically, emotionally and spiritually.

The Upper School Houses are:

Boarding

Buchanans

Rushebrookes

Stevens

Chapmans

Haywoods

Wharflands

Day

Gunthorpe

Hambleton

Barrow

Clipsham

Your child's Housemaster or Housemistress has overall responsibility for their care. He/She is supported by a team of Tutors, a Matron, students and cleaning staff, who will support your child on a daily basis. The Deputy Head Pastoral and Deputy Head Safeguarding provide overall responsibility for the wellbeing and safeguarding of Upper School pupils and work with the PSHE Co-ordinator to deliver the Pastoral Curriculum Programme. They also liaise with the Medical Centre staff.

The House environment is special, as it is designed to be your child's home whilst they are at School. As such, each House is filled with lots of different places where your child can do their work or relax with friends. Plus there are lots of creature comforts for them to enjoy; such as their own study area, large sitting rooms with relaxing sofas and chairs, TVs, consoles and games, and a kitchen stocked with fresh fruit, snacks and hot drinks, as well as changing rooms.

Tutors

Each pupil has a Tutor, who meets with your child in their tutor group in the tutorial periods on a Monday and Friday. Tutors also do duties in their House, so will be available to the pupils several times over the course of a week.

Tutors also deliver our carefully designed tutorial programme, which helps pupils thrive in the Upper School and prepare for life after Oakham School.

The Tutors will be in touch with you by phone or email within the first fortnight of term and are always happy to speak with parents about personal or academic matters affecting your child. We encourage you to develop a strong relationship with your child's Tutor and to get in touch should you have any concerns or queries and importantly successes both in and out of school.

You can contact them by telephone or email, or arrange to meet them in person at any point in the year.

Chaplaincy

The Chaplaincy is at the heart of Oakham School, providing opportunities for our boarding and day community to come together for spiritual reflection, as part of the weekly rhythm and routine of School life.

Our full-time Chaplain offers a variety of support to pupils and staff, whatever their religious beliefs. This ranges from full services in our beautiful School Chapel, a place for all year groups to sing, commemorate and celebrate, to more informal gatherings in the relaxed atmosphere of the Boarding Houses.

School Rules

Copies of all School policies, including the School Rules, can be found in the Red Book and on the website. We would be particularly grateful if you could draw your child's attention to the section on 'mobile phones and other digital technology'.

Medical Centre

**Oakham School Medical Centre,
15 Station Road, Oakham, Rutland LE15 6QT**

+44 (0)1572 758555

medical@oakham.rutland.sch.uk

School Medical Centre Manager: **Mrs Abby Oakenfull**

The Medical Centre is on Station Road opposite the junction with Church Street.

The department is open and staffed by trained nurses from 8.00am until 7.00pm Monday and Friday and 8.00am until 6.00pm Tuesday, Wednesday, Thursday and Saturday. *Nurses are on call from home overnight and on Sundays.*

Please do not hesitate to contact the Medical Centre's nursing staff if you are concerned about your child's health. In the first instance, we encourage pupils who are unwell to seek advice from their Matron, but we work closely with the Houses and are always happy to see pupils if it is something that cannot be dealt with in House. If your child is admitted to the Medical Centre for care, the House will contact you and keep you informed of your child's progress.

Boarding Pupils

Full Boarding pupils are always registered with the School Doctor (GP) and will be treated at the Medical Centre either by the Doctor (GP) or by the nurses. Weekly boarders have the choice to remain registered with their home GP or be registered with the School Doctor (GP).

In order to register your child with the School Doctor (GP) please complete the online link, which will be sent under separate cover, before arrival at the school.

If your child is unwell during the holidays or whilst at home, your home GP can see him/her as a 'temporary resident'. It is important that you do not fully re-register your child with the home GP at this time as this may cause problems with your child accessing the School Doctor's service on their return to School.

Day Pupils and Weekly Boarders

Day pupils and weekly boarders (that are not registered with the school GP/Oakham Medical Practice) can be assessed and treated by the School Nurses but if further ongoing treatment is needed, they will be referred back to their home GP. If a child is staying overnight at School and needs to see a doctor, they will be seen as a 'temporary resident' on just that one occasion (for example, if they are acutely ill). If further treatment/investigation is needed, we will ask parents or guardians to refer to their own GP and, if hospital treatment or home rest is required, that they come and collect their child.

Available Medical Services

Minor Illness and Minor Injuries

Our nurses are trained in the assessment of minor illness and injuries. For boarders, it may not be necessary for a pupil to see the school doctor as our nurses can treat a range of minor illnesses, such as earache, tonsillitis, and chest infections.

They also assess and treat injuries and, if necessary, refer on to the pupil's own doctor or to Accident and Emergency.

Sports Injuries

The majority of sporting injuries are treated at the Medical Centre. If a pupil has a suspected fracture, we will send them to hospital promptly for assessment. We also have paramedic cover on rugby match afternoons and 999 would be called in the event of an emergency.

Physiotherapy

Oakham School has its own physiotherapist. There is free triage through the week and appointments can be arranged on Tuesdays and Thursdays.

Dentists and Opticians

There are both private and NHS dentists in Oakham and several opticians, however it can be difficult to get appointments out of School time.

For boarders your child's HM can make arrangements for you; however, we advise that routine check-ups are done at home during the school holidays.

Mental Health Provision

Oakham School have a Clinical Psychologist and Mental Health Practitioners, in addition to the School nurses.

All pupils can access this service, whether they are day or boarding, by completing a referral form accessed via the Oakham start page and clicking on the wellbeing icon. Consultations with the counselling service remain confidential.

There is a charge to see our Mental Health Practitioners after six sessions.

Further details are available on request from the Medical Staff and are outlined in the Bursary Booklet.

Vaccinations

The local NHS Community Immunisation Service comes into School and offers all routine childhood vaccinations.

Travel vaccinations can be arranged through the local pharmacy and recharged back to the school account.

Parental consent for any vaccination will NOT be necessary for pupils in the Upper School; It will be by self-consent.

Communication

Communication between parents, pupils and staff, both formally and informally, is valued and is seen as integral to your child's success at Oakham School.

Your Child's Tutor/HM

Your child's Tutor will be in touch with you by phone or email within the first fortnight of the Winter Term to introduce themselves and let you have their contact details.

Do contact your child's Tutor at any point if you would like information or have any concerns about their school work.

Your child's HM will also be available as the next point of contact.

Progress Reports

Progress Reports (PRs) provide regular updates on your child's progress at Oakham School. These will be issued regularly throughout the school year. The short PRs include comments from each subject teacher and grades and the longer PRs (usually issued at the end of each term) will present more detailed comments from your child's teachers, Tutor and HM.

These are available to view on My School Portal.

Parent/Teacher Meetings

Each year there will be one Parent/Teacher meeting per year group and a letter will be sent to explain this nearer to the event. All of the dates are also published in the Term Dates section of the Red Book.

Red Book

This is the online termly School List and Calendar which lists every School event due to take place during each term. It also contains a directory and details of School rules, discipline and our policies. You can download it from My School Portal as a pdf, or to your iPhone, iPad or other devices.

Arts Calendar

The Arts Calendar features all the upcoming performing and creative arts events and is available on the website.

My School Portal

My School Portal hosts a wealth of useful information including Progress Reports, rewards and conduct, your child's timetable, the School calendar, parent letters and links to our dedicated sports website. The Portal also contains links to school policies, term dates, and news and events. When your child arrives at Oakham School, you as parents will receive access to My School Portal. You can also update your contact information here if anything changes.

The Parent Directory

The Parent Directory is accessible only to parents. It lists phone numbers, e-mails and addresses. You can use filters to list parents who share the same year group, form or house as your children. As it draws on our current database each time you use it, you will always have the most up to date information available.

To share your details to other parents, you will need to opt-in to the Parent Directory and choose which information, such as your mobile, address or e-mail you want to share. You can at any time choose to opt-out of the Parent Directory through the system.

Parent Directory Terms of use:

The following is an extract from the Parent Directory Terms of Use. Please ensure you read the Terms of Use in full the first time you log into the directory pages:

"The Parent Directory is intended for the private use of parents and staff of Oakham School only. We will only publish contact details of those parents who have asked to be included in the Directory. You may ask us to remove your details at any time.

You may download information from this directory for your own personal use only. You may not use it for any commercial purposes. You are not entitled to pass the information from this directory to third parties for their use. Unauthorised reproduction of its content is forbidden.

You undertake that you have read our Privacy Policy (see link at the foot of the School's website) and are familiar with its contents."

Data Protection

The School's Data Protection Policy can be found on the School website in the Portals area which is linked at the top of the page. Scroll to find the School Policy Documents where you will find the Data Protection Policy amongst all the other policies.

One area which possibly needs a little more comment is the use of pupil photographs, for example in print, video or audio, online, in the press and via social media platforms. This use comes under the general area of marketing, and our usual practice is to publish photographs of pupils without full names. However, we think it important to note high achievements by individual pupils and in such cases our practice is to publish a photograph with a name. More details are included in the Parent Contract.

If you have any concerns at all, please contact either the Chief Operating Officer (COO), who is the School's Data Controller, or the Head of Data Systems.

Reporting Illness, Leave of Absence and Early Departures

Please advise the House by 8.10am if your child will be away from School due to illness.

If any illness or injury occurs outside School time that will affect your child's attendance or performance at School, particularly if they will require a Leave Off from Sport, please email the request to your child's HM.

Please plan trips and holidays outside term time.

Any requests for absence from School during normal term time, including early departures, should be made to the Head of Middle School, copying in your child's HM.

Food Allergies and Dietary Requirements

The catering team will happily cater for children with different dietary requirements. Please make us aware of any allergies or dietary requirements for your child on the Medical Form.

Upper School Dress Code

Upper School pupils wear suits under the principle of 'smart business wear' and, considering that this is a formal environment which expects its students to be focussed and disciplined, to take themselves and their work seriously.

- All pupils wear two- or three-piece outfits: either a skirt suit, trouser suit, or tailored dress with a matching jacket. Skirts, trousers, dresses and waistcoats must be cut from the same cloth as the jacket.
- All skirt and trouser suits must worn with a collared shirt or button up blouse. The shirt or blouse must be of a sufficient length to be comfortably tucked in to the waistband of the trousers or skirt.
- Shirts and blouses should be white in Form 6. Alternative colours are permissible in Form 7.
- Jumpers are not a suitable replacement for a shirt or blouse and must go over the shirt or blouse and under the jacket, with the shirt or blouse collar visible. Jumpers and tights should all be plain, single.
- Shirts must be worn with a tie. For Form 6 pupils, this should be their House or prefect tie. Form 6 pupils wearing a collared blouse should wear their House badge, and prefect badge where relevant.
- Skirts and dresses must pass the fingertip test i.e. if the student were to stand up straight with their arms by their side, the skirt or dress would not be shorter than their fingertips.
- Jackets must be worn, and shirts and blouses must be tucked in, throughout the school day.
- Top coats and shoes must conform to the 'smart business dress' principle.
- The following fabrics do not conform to the dress code: leather, suede, fur, faux fur, shiny or PVC, satin, plastic, velvet or velour, corduroy, denim or denim style. Further, Bodycon-style skirts and dresses (i.e. 'stretchy', containing a significant amount of Lycra) are not appropriate for this working environment.

On a day-to-day basis, all decisions about whether an outfit meets the dress code are made by the HMs and any uncertainties or disputes will be resolved by the Head of Upper School, whose decision is final.

We recommend the following national suppliers, whose tailoring options generally conform to our Dress Code. If other suppliers are used, the outfits purchased should be indistinguishable from those available from this recommend list.

Parents of boarders are particularly asked not to pack extra items that are unnecessary and cause storage problems.

A large soft bag or trunk is required for packing and should be clearly marked.

Bed linen, pillows and a duvet are provided, but boarders may personalise their bedroom by bringing their own duvet covers if they wish. Please bring three large towels (not bath sheets), with securely fastened loops for hanging in the middle of one long side.

The School Laundry

All items of clothing (apart from suits and jackets) should be machine washable. All washable home clothes should be suitable for tumble drying, otherwise they cannot be sent to the School Laundry or washed in School machines.

The School Laundry washes by standard mechanical processes. It does not wash pupils' clothing by hand. All pupils' clothing must be capable of being washed at temperatures between 40° and 60° centigrade, with the exception being badly stained sportswear and Infection Control Measures which are washed at 80° centigrade.

Please note that we cannot accept responsibility for damage caused to garments by the laundry process and request that pupils **only** bring items of clothing that can be machine-washed and tumble-dried.

Stationery Requirements for Upper School Pupils

Laptop computers

All pupils, both day and boarding, need access to a web-enabled computer in the evenings to complete research and preps, which are often set on Microsoft Teams. Boarders must, therefore, purchase a laptop/2-in-1 device to complete their schoolwork whilst they are in School.

We recommend that a pupil's personal computer should be a Microsoft Windows-based computer, ideally running Windows 10, as this offers the highest level of compatibility with our School-based computers and a similar working environment.

This does not exclude Chromebook or Apple devices, but they will need to have the Teams, OneNote and Office combination of applications installed, as these components form the core digital toolkit used by staff and pupils. More information and guidance on the choice of device can be found [here](#).

Scientific calculator

IB students will be expected to have a Casio CG50 calculator. These can be bought through the School and put on the school bill for any students who do not have one at the start of term.

A-level students studying Maths will need either a Casio CG50 or a Casio fx-911EX. These can be bought through the School and put on the school bill for any students who do not have one at the start of term.

Dictionaries

There is no need to bring a dictionary to School – they are supplied in classrooms and school computers provide excellent resources for checking and developing language. Day students need access to a quality dictionary/thesaurus online/paper copy at home.

Translation dictionaries for overseas students whose first language is not English

Please purchase before you arrive in September

- A simple word-for-word electronic bilingual translator or a simple word-for-word bilingual translation dictionary for internal and public examinations. Translators must not be multifunctional or show diagrams or pictures on the screen or give definitions or explanations of words. Simple translators are available on a number of websites, including Amazon.

Stationery

The School provides folders, textbooks, exercise books and paper for writing, but you will need to purchase the following:

- Writing pen. Fountain pens must use a cartridge rather than bottled ink (2 different colours)
- Pencil case
- An HB pencil is essential for some subjects
- Pencil sharpener (if bringing a pencil)
- Eraser
- One short (15cm/6") ruler. Metric markings are essential; inches optional
- Highlighters (pack of 4)
- Any subject specific requirements

- You may also buy a multifunctional electronic bilingual translator to use in lessons and prep times, but you will still need the word-for-word model for examinations.
- **IB Students are not allowed to use electronic devices in examinations** but may find them useful in lessons. In examinations they are only allowed to use a 'simple translating dictionary'.

School Trips

Deputy Head Co-curriculum:

Mr James Robinson

jhr@oakham.rutland.sch.uk

Parental Consent

We must have a School Trip Parent Consent form, signed by a pupil's parent or guardian on file before any pupil is allowed to go on any off-site school activity, trip, or away sports fixture. To give parental consent you need to hold legal parental responsibility for the child. New parents must also have completed and submitted the medical section of the New Joiners' Form.

One-day trips

Once you have lodged your signed School Trip Parent Consent form with us, it will be valid for one-day trips taking place within normal school hours such as sports fixtures, department, or house outings for the whole time a pupil is at Oakham. We will ask parents/guardians for specific consent for any day trip that costs more than £20 per pupil or that takes place out of normal school hours.

Overnight and residential trips

We will ask for consent separately for each overnight or residential trip.

You can find the School's Educational Trips and Visits Policy in the School Policies section on website. Parents should be aware that School Rules apply on all School trips, activities and visits.

Calendar, Fixtures and Trips List

The School website calendar, the Red Book, and the Oakham Sport App list trips and fixtures. Listings include estimated departure and return times.

Trip organisers will send you any further information you may need about a trip and let you know if an early start or late return falls outside normal school hours.

Learning Support

Charges and Terms & Conditions

Finance Bursar

financebursar@oakham.rutland.sch.uk

Oakham School has an outstanding reputation in the provision of Learning Support through its department of qualified teachers. The School's policy is set out in the Inclusion Policy, which may be found on the School's website.

Provision and Reasonable Adjustments for SEN

Oakham offers the following arrangements and adjustments to support pupils who come to the School with identified learning difficulties, and for those pupils who are identified as having learning difficulties at some point during their time at Oakham.

As stipulated in the School's Admissions Policy, parents must inform the School of any additional learning needs (SEN) and disabilities at the point of registration.

Included in the School Fees

- Small class sizes for mainstream curriculum lessons
- Group learning support lessons for Forms 1 to 3
- Drop-in learning support sessions on Tuesdays and Thursdays from 2.00pm – 5.30pm
- Weekly academic subject support sessions with subject teachers
- Preparation, maintenance and communication of Individual Education Plans (IEP)

Not included in the School Fees

Where bespoke, individual diagnosis and support is required, the following are provided at an additional charge to parents:

- One-to-one or small dedicated group support with a qualified learning support specialist teacher
- Assessments for Access Arrangements

Please note that it is not possible to use evidence provided by other assessors or educational psychologists to support applications for access arrangements. Assessments must be carried out by one of our approved assessors following permission from parents.

Terms and Conditions

Prices for one-to-one learning support for the following academic year will be advised in the Financial Information Booklet which is sent out annually over the summer holidays with the Winter Term bill. The Financial Information booklet can also be found on the [website](#).

For some pupils, the School may recommend or stipulate a certain level of chargeable one-to-one support. Offer letters may include a requirement for a certain level of one-to-one Learning Support as a condition of entry. All one-to-one lessons will be chargeable in arrears. Lessons missed or forgotten by pupils will be chargeable unless there is an adequate reason communicated in advance to and supported by the Head of Learning Support, Dr Emma Stanley Isaac, esi@oakham.rutland.sch.uk. (e.g. school commitment clash and no ability to reschedule, or teacher not available and no ability to reschedule). A register of attendance will be maintained.

Pupils may withdraw from one-to-one lessons at the start of a term providing that notice to withdraw has been made in writing to and supported by the Head of Learning Support. Please note at least half a term's notice (not including holiday time) is required.

In the event charges for one-to-one Learning Support are found to be too onerous, parents will be able to apply for bursary support, which would involve the submission of full financial circumstances and supporting documentation as for bursaries relating to School Fees. Please contact the Finance Bursar financebursar@oakham.rutland.sch.uk in these circumstances.

Oakham School has an outstanding reputation in the provision of English as an Additional Language (EAL) through its department of qualified teachers. The School's policy is set out in the Inclusion Policy, which may be found on the School's website.

Provision and Reasonable Adjustments for EAL

Oakham offers the following arrangements and adjustments to support pupils who come to the School with identified English language needs, and for those pupils who are identified as needing academic language support at some point during their time at Oakham.

Included in the school fees

The following support is included in the school fees:

- Small class sizes
- Drop-in session Tuesday 2.00pm to 5.30pm, to provide revision sessions, subject workshops or individual support
- Preparation and maintenance of the Individual Education Plan (IEP) page for all teachers

Charges to parents for EAL support

Where bespoke, individual assessment and regular support is required, the following is provided at an additional charge to parents:

- One-to-one support with a fully qualified EAL specialist teacher

Parents should note that offers to pupils for places in the School may stipulate a certain amount of EAL support initially, which will have cost implications. Clearly, the amount of EAL support will be kept under close review over time between the pupil's parents and the School.

Terms and conditions

for one-to-one EAL support for the following academic year will be advised in the Financial Information Booklet which is sent out annually over the summer holidays with the Winter Term bill. The Financial Booklet can also be found on the [website](#).

The School may recommend or stipulate a certain level of chargeable one-to-one support for a pupil. All one-to-one lessons will be chargeable in arrears. Lessons missed or forgotten by pupils will be chargeable unless there is an adequate reason (e.g. school commitment clash and no ability to reschedule, teacher not available and no ability to reschedule) with which the Head of EAL, Ms Jan Irving jmi@oakham.rutland.sch.uk, is in agreement. A register of attendance will be maintained.

Notice to withdraw the pupil from one-to-one lessons at the start of a term must be made in writing to the Head of EAL no later than the last day of the preceding term's half-term holiday (Exeat).

The School may be able to accommodate ad hoc one-to-one EAL academic language support, but priority will always be given to pupils with an IEP. In the event charges for one-to-one EAL support are too onerous, parents will be able to apply for bursary support, which would involve the submission of full financial circumstances and supporting documentation as for bursaries relating to School Fees.

Sports Fixtures

Middle School fixtures are mainly on Saturday afternoons with some midweek games in the weeks before Leave-outs and the end of terms and half terms.

Parents are encouraged to come to support pupils at sporting fixtures. Match details, directions to venues, match reports and results are on the sports pages of the website. Fixtures are also listed in the Calendar section of the termly Red Book.

You are welcome for refreshments in BAFS Pavilion when you come to watch your child play sport in a home fixture, where tea, coffee, sandwiches and cakes will be served.

All information can also be accessed by saving the school sports app to your phone's home page

www.oakhamschoolsport.co.uk

Mouthguard Policy

If your child will be playing rugby, hockey or lacrosse, they must have an approved mouthguard.

On Monday 2 September, OPRO, a specialist national organisation of dental surgeons, will bring a team of dentists to the School to take impressions for custom fitted mouthguards. The cost is added to the School bill.

Details will be sent so that parents can sign up for a mouthguard online.

Boot Studs – Kitemark type

As a further safety measure, boys' boots must have 'kitemark' type studs which are suitable for rugby.

Music Tuition

Director of Music: John Mountford

jm@oakham.rutland.sch.uk

The Music Department offers weekly lessons in a wide range of musical instruments, singing and music theory. Standard music lessons last 35 minutes, though more advanced students often take extended lessons. Music lessons are scheduled on a rotational timetable running through the School day, or are fixed during free time or study periods for pupils in the Upper School. Every effort is made to minimize the disruption to individual academic subjects.

Pupils are supported in their preparation for solo performances, and the Department also offers the chance to enter ABRSM and Trinity music exams each term, as well as annual entries for RockSchool exams and LCM Music Theatre exams. Parental feedback is given every term in the form of a Progress Report or online Parent-Teacher meeting.

Parents may apply for lessons at the point of entry by completing the relevant pages of the New Joiner Form, or by contacting the Music Department at any time during their child's time at the School.

Most parents find it more convenient for their child to receive 1-to-1 music tuition in School. Parents may also apply for discounted tuition for beginners on one of the specified instruments. Discounted tuition is also offered to pupils once they have achieved a Merit or Distinction in ABRSM Practical Grades 6, 7 & 8, and have also passed Grade 5 theory. Full details of this scheme and the instruments on which tuition is offered can be found [here](#) on the School website. Costs of individual lessons are outlined in the Financial Information Booklet, which is sent out annually over the summer holidays with the Winter Term bill. The Financial Information Booklet can also be found on the [website](#).

The School also runs 15 regular weekly ensembles and choirs. Pupils who play an instrument will automatically be allocated to an appropriate performance group on entry to the School. New pupils have a short singing test as part of their induction process to help determine which choir they will join. Parents of pupils who will be continuing with instrumental tuition outside the School are asked to let the Director of Music know so that he can involve their child in the School's ensembles and concerts at the appropriate level.

LAMDA Acting Lessons

Director of Drama: Mrs Gilly Norell

gn@oakham.rutland.sch.uk

Teacher of Acting, LAMDA Coordinator:

Mr David Norell

dn@oakham.rutland.sch.uk

Around 50 students take regular Acting or Vocal Coaching Lessons in an academic year and although examinations are not mandatory, those pupils who take LAMDA Acting and/or Shakespeare Exams enjoy a high success rate with all passing, many with Merit and Distinction.

Lessons are offered to all ages and can lead to LAMDA Graded Examinations in Acting (including Shakespeare) – solo and combination/duo and Speaking in Public. Students may choose to be taught on their own or, where possible, with a partner.

A student wishing to work in a pair, and who may not initially have a partner to study with, will be encouraged to study solo pieces and join a partner as and when the opportunity arises.

Audition Technique

Students are also offered the opportunity to prepare for any auditions that they have arranged, including for: Oakham School productions, Drama Scholarships, National Youth Theatre, and Drama School Auditions.

Finding their Voice

One-to-one vocal coaching sessions are offered to assist a student with self-confidence in acting and public speaking by addressing particular aspects of their spoken voice to aid their diction and clarity, and or the quality of their vocal expression.

The Cost

There is an additional charge for LAMDA lessons, which will be added to your School bill. Individual or duo lessons are available. Costs of LAMDA lessons are outlined in the Financial Information Booklet, which is sent out annually over the summer holidays with the Winter Term bill. The Financial Information Booklet can also be found on the [website](#). Examination Fees (set by the Board) are also charged at exam time.

Administration

Lessons of 35 minutes duration are offered once per week in curriculum time and every effort is made to ensure that no more than one lesson per subject is missed per half-term.

Students' achievement is reported upon under the PR system at the end of each term, and Parents/Guardians are welcome to contact their Teacher for an informal, interim report or for advice regarding their son's or daughter's progress.

You are welcome to contact the LAMDA Coordinator or the Director of Drama for further information or clarification.

We welcome students of all ages and abilities and look forward to playing our part in helping them to find their voice, develop their talents, hone their acting skills, and add to their appreciation of the dramatic arts.

The Old Oakhamian (OO) Club

The Old Oakhamian (OO) Club is a vibrant 6,000 strong community that extends to all former pupils and long-serving members of staff. Its purpose is to assist all alumni and help them stay connected with their old school and their fellow OOs. Based in College House, close to the School Chapel, the OO Club, through its dedicated website, [The Oakhamian Connection](#) provides a wealth of news, clubs, events and networking opportunities to support Oakham's alumni community.

Oakham School Foundation

Oakham School has always been a place for deserving scholars to get an exceptional education, regardless of circumstance. In 1584, Archdeacon Robert Johnson founded a 'free school' and opened its doors to 16 young boys.

The Oakham School Foundation has been supporting the School since 2001 by raising funds for various projects including buildings and bursaries. The generosity of many Old Oakhamians and former parents and friends of the School has made possible some of our wonderful buildings and provided the opportunity for talented young people to attend Oakham who would not otherwise have been able to do so.

Over recent years parents of leavers have been encouraged to donate their deposit to the Oakham School Foundation where it will be used to help future generations of Oakham School pupils. We hope that you will consider donating your deposit when your child leaves and so join the tradition of philanthropy to Oakham which has extended for more than 400 years.

To find out more and how to get involved, please email foundation@oakham.rutland.sch.uk

Forms

Please ensure that you complete all applicable forms for your child by the specified date, to allow us to circulate relevant information to staff in a timely manner.

The link to your child's joining forms can be found within your joining information email.

It is essential that we have the completed forms before your child starts at Oakham School.
