Paying for School Fees

The core fees for the academic year are charged by way of three termly amounts of equal magnitude. Fees and extras are due on the first day of each term, unless the core fees are being paid by direct debit (four monthly instalments per term).

Core fees, unless being paid by direct debit, and extras fall due as follows:

- Winter term 2023 4th September
- Spring term 2024 8th January
- Summer term 2024 15th April

Any queries relating to fees or extras charged should be referred to the Billing Officer at the email address pupilaccounts@oakham.rutland.sch.uk. Any amounts under investigation should be deducted from the amount paid, and any necessary amendments will be made to the billing accounts.

The School reserves the right to refuse to allow pupils to attend the School or to withhold any references whilst fees or supplemental charges remain unpaid. Oakham School charges interest on any late payment of fees. The charge is calculated on a daily basis at the current rate of 3% above the base rate per annum on the balance outstanding. The School will levy an administration charge of £25 for any letter sent to parents regarding overdue fees or charges.

Oakham School accepts payments by:

- Bank Transfer quoting the unique reference number on the invoice
- Cheque this should be sent to the Bursary by the payment due date
- Direct Debit four monthly payments per term in respect of the core fees only

Bank Information

The School bank details are as follows:

- Bank Barclays Bank
- Address 10 High Street, Oakham, LE15 6AN
- Account number 43608042
- Sort code 20-63-74
- Swift code BARCGB22
- IBAN No. GB90BARC20637443608042

Direct Debit Scheme for payment of core fees

The Direct Debit process involves the termly core fees being collected in four monthly payments. For the Winter term, collections are taken at the end of July, August, September and October (an alternative payment run takes place seven days later). Spring term core fees are collected in November, December, January and February and the Summer term fees in March, April, May and June. The payment of extras is not collected by Direct Debit and will therefore have to be paid by Bank transfer, debit/credit card or cheque, as they fall due.

A copy of the Direct Debit mandate instruction, to be completed to enable core fees to be collected in this way, can be obtained from pupilaccounts@oakham.rutland.sch.uk

Prepayment of Fees Scheme

The School operates a Prepayment of Fees Scheme. Prepayments can range from one year through to the full duration of the pupil's time at Oakham, and can be made from formal acceptance of a place. The method does not guarantee that all fees will be covered but rather only those termly amounts contracted for in the agreement. Further details are available on the secure Parent Portal and a quotation can be obtained from the finance team. Please send requests for quotes to pupilaccounts@oakham.rutland.sch.uk.

Use of Childcare Vouchers

Childcare vouchers can be used to pay for pastoral care, which is the boarding element of the relevant fee. Please note that under HMRC rules, any overpayment of childcare vouchers cannot be refunded directly to parents due to the tax benefits received upon purchase.

For Direct Debit bill collections, the monthly amount can be reduced by the core fee element eligible for payment with childcare vouchers. Please let us know in advance if it is your intention to do this.

Amending a child's place at the School

If you wish to change your child's place at the School from a boarding to a transitional/flexi boarding or day place, or from a transitional/flexi boarding to a day place no such change can be made part way through an academic year. Such notice should therefore be given in writing by no later than the first day of the summer term for any such change in status to be effective at the beginning of the next academic year. Failure to provide the appropriate notice of such a change will result in the fee for the whole of the next academic year being based on the originally agreed status.

Withdrawing a child from School

In accordance with the Parent Contract to which all parents are contractually bound, by accepting an offer of a place for their child, **Oakham School requires a full term's notice in writing of any intention to withdraw a pupil from the School**. This includes pupils coming to the end of the Fifth and the Lower Sixth forms. A full term's fees will be charged if insufficient notice is given.

Pupil Insurances

Two key insurances are provided as part of the School Fee:

Personal Accident Insurance Scheme

Cover is provided for all pupils throughout their careers at the School, including holiday periods, and is provided for accidental injury resulting in an impairment of function or permanent disfigurement. Parents should note that this cover provides compensation for permanent impairment of function (eg of an organ or limb) or scarring; it does not provide compensation for pain, inconvenience, parental expense incurred as a result of an accident or medical expenses. Details are set out on the secure Parent Portal under Bursary Information.

Travel Insurance

The School has Travel Insurance in force that provides cover for pupils and their belongings whenever they are on a school trip. Please note that this insurance does not cover for pandemic related claims. Claim forms may be obtained from the PA to the Director of Operations. Please note there is a small excess, typically £50, on the majority of claims for which parents will be charged.

Certain insurance may be purchased on an opt-in basis. We strongly advise parents to ensure that adequate insurance cover is in place whilst their children are at School. We have reviewed the market and make the following suggestions below which parents may wish to consider. The School does not benefit financially if you choose to purchase any of these opt-in insurance products.

The insurance cover available on an opt-in basis is as follows:

Pupil Private Medical Healthcare Insurance

Parents may wish to take out private medical insurance for their children. Details of a scheme, which is brokered by Marsh and underwritten by AXA PPP, may be found on the secure Parent Portal under Bursary Information and include levels of cover and terms and conditions. **The cost is £126 per pupil per term.** The one-off application form needs to be completed and returned to Hanna Coburn in the Bursary or electronically to hjc1@oakham.rutland.sch.uk.

Pupils' Personal Possessions Insurance

Oakham School does not accept responsibility for the loss or damage to the personal property of pupils. Therefore, parents are advised to ensure they have adequate insurance in place, potentially on an All Risk basis, particularly as the value of pupil's belongings such as laptops, tablets, smart phones, musical instruments and sports equipment has increased. One option is for parents to review their cover for Household Contents and add their children's belongings when away from home. Alternatively, the School suggests a policy offered by Marsh insurance brokers. **The cost is £7.73 per term** and provides single item cover of £2,000, watches and jewellery £500, aggregate cover of £5,000. There are, as with all insurance policies, certain exclusions and excesses (deductibles). Whilst tablets and laptops are covered, mobile phones and cash are not covered. The excess is £50. Further details of the Marsh scheme are to be found on the secure Parent Portal. The one-off application form needs to be completed and returned to Hanna Coburn in the Bursary or electronically to hjc1@oakham.rutland.sch.uk.

Overseas students and Visa information

Any pupil who does not hold a British passport or who does not have settled or pre-settled status in the UK must have a visa to be able to study at Oakham. The visa is 'course based', and so:

- One application is needed for the GCSE course (from the pupil's point of entry to the School up to the end of Form 5/Year 11), and
- An additional application will be required for the Upper School course (A level, BTECs or IB Diploma).

You cannot apply for a visa until six months before the start of the academic course.

Oakham School has a student sponsor licence and can provide a CAS (Confirmation of Acceptance for Studies) once a place has been accepted at the School (or prior to transfer into the Upper School for current pupils who need to renew their visa for their final two years at the School). The CAS will be used to apply for a Child Student visa. Further information on Child Student visas may be obtained from the UK Government visas website – www.gov.uk/child-study-visa

Oakham School reserves the right to use the services of Fragomen, a global immigration specialist, for the process of issuing a CAS. Oakham will make an administrative charge of £300 for any pupil who receives a CAS, which will be applied to their first fee invoice after the CAS has been issued.

Pupils who receive subsidised tuition will be expected to continue their good progress, practise regularly and make a strong musical contribution in school ensembles (or chamber music/accompanying/duet playing in the case of pianists). Any music lessons missed without good reason will be charged. Individual music teachers are experienced in recommending when pupils are ready for the musical and technical demands of higher grade exams.

If a parent/guardian wishes to withdraw a pupil from lessons at the start of a new term, the Director of Music must be advised in writing a minimum of half a term in advance. There will be a charge of one term's fees in lieu of notice, should the Director of Music be notified after the final day of the half term exeat. All pupils continue to be timetabled for lessons for their entire Oakham career unless written confirmation is received to the contrary.

Hiring School Instruments

School instruments are available to hire by arrangement (according to availability) at a cost of £45 per term. Whilst the School does have insurance for instruments, parents will be liable for any damage up to the insurance excess of £250.

Mental Health Service Charge and Terms and Conditions

Oakham School has an outstanding reputation in the provision of mental health services for those children who require the input of a mental health professional.

The following support is included in the school fees:

- Access to the Medical Centre and a qualified nurse at all times
- Access to a mental health practitioner for six, 45 minutes sessions accessed by a referral system

Where required, and after the initial 'included' sessions have been taken, the following are provided at an additional cost.

- Sessions with our clinical psychologist or mental health practitioner will be at a cost of £48.15 for 60 minutes
- Sessions with our clinical psychologist or mental health practitioner will be at a cost of £32.10 for 30 minutes

Where possible and when consent is obtained, the mental health team will liaise with parents and staff as appropriate to ensure best practise and care is at the forefront of the service.

The School will also charge pupils for certain extra-curricular activities, including the following:

Combined Cadet Force (CCF)

Throughout the year, members of the CCF undertake two Service Weekends (in October and March) and an Annual Camp (first week of the summer holidays). The activities are heavily subsidised by the Ministry of Defence (MOD), as are other courses which are available. Boots are rechargeable items, and cadets will be issued a set upon joining. Clothing is issued to cadets and can be handed back, though lost items will be recharged. The costs of these activities are packaged up into a termly subscription of around £70-80. Army and RAF Camps will be charged separately and are in the region of £50.

For those pupils who elect to complete the Duke of Edinburgh Gold Award directly through the CCF, appropriate charges for transportation and accommodation are made, however, the MOD is able to substantially subsidise these costs. These will be outlined at the beginning of each year for the Form 6 cadets who elect to complete this award. As a guide, the CCF Gold expedition programme (which includes a skills training weekend, a practice expedition to the North Pennines and a 10-day qualifying expedition) will cost approximately £1,000.

The BTEC Level 2 in Teamwork and Personal Development in the Community can be completed through the CCF without extra cost to the pupils.

Duke of Edinburgh

The Duke of Edinburgh award scheme is divided into three sections: Bronze, Silver and Gold. Generally, participants should complete the Bronze Award by the end of the Form 4, the Silver Award by the end of the Form 5, and the Gold Award sometime during Form 7. All costs relating to the Duke of Edinburgh award scheme are made separately. If pupils are enrolled on the Duke of Edinburgh scheme, they will be expected to complete training, practice and qualifying expeditions. These are not partially optional for safety reasons. These are pre-arranged at the start of the school year and as such one term's notice or before the previous expedition will be required if a pupil will not be attending. If insufficient notice is given, the charge for the expeditions will stand as many of the costs are booked up to a year in advance with deposits paid. If a pupil is unable to attend due to illness or injury, the pupil will still be charged. However, an insurance claim can be made upon production of a doctor's note. Any equipment taken by pupils should be returned to the Duke of Edinburgh storeroom, and a signed receipt given, within two weeks of the end of the expedition otherwise a charge will be levied for the required replacements. Personal equipment for expeditions costs between £200 and £600 depending on quality and branding. Please note, if a pupil arrives on an expedition with inappropriate equipment or clothing the cost of supplying items will be added to the school bill. The costs for the year of the various levels of Award, which entail two training weekends and a qualifying expedition, are approximately as follows:

- Bronze: £450
- Silver: £570
- Gold: £750 to £855 (for sailing)

Please note other specialist activities incur charges; sailing, golf, horse riding, tennis coaching, Taekwondo.

The School has accounts with various Oakham taxi firms in order to provide transportation for pupils, should there be a necessity to do so. Use of the School accounts must only happen with prior written parental consent, sent to the relevant Housemaster/mistress, or in emergencies as soon as it is possible for a parent to contact the Housemaster/mistress to let them know it has happened.

Textbooks

Oakham School aims to provide textbooks to each pupil. If a textbook is not returned to the designated member of staff by the deadline set by the individual departments, a charge will be added to the School bill. Textbooks will not be accepted after the deadline date as replacement books will be purchased by the School. A refund will not be possible for late return of textbooks.

Child Student Visas

Oakham School will make a charge of £300 for international pupils who need a CAS (Confirmation of Acceptance for Studies) to make an application for a Child Student visa. This will be charged to the first bill after the CAS has been issued (normally the Winter term bill) and covers the administration involved in preparing and issuing the CAS.
